McKee's Butchers

McKee's are manufacturers of very high quality gourmet pies and family butchers. Started in 1898 by William Hill McKee and carried on by succeeding generations of the family. We not only use the best quality ingredients and fillings to produce a full range to suit all. The products are produced in our own state of the art facility to extremely high standards.

Why Choose Our Pies?

Our Quality and Ingredients Promise. Food Safety is the company's highest priority. Only the highest quality fillings are used. Beef only comes from EC standard approved abattoirs. Premier Brand Products approved all its suppliers. The company's policy is not to use genetically modified ingredients.

The steak and kidney pies contain large chunks of tender steak, and the chicken and mushroom pies contain large pieces of succulent chicken with sliced mushrooms.

Our pies are consistent - the product is always the same, every time the customer opens the box - the same people genuinely enjoy eating McKee's Pies and most importantly of all come back to buy again and again.
